---

## Objective

Passionate Computer Science student with a strong foundation in web development and software engineering. Eager to contribute innovative projects and deliver impactful solutions through creativity and technical expertise.

---

## Education

### Galgotias University

B.Tech in Computer Science & Engineering(core) (Expected Graduation: 2027)

### Divine Public School (CBSE)

10th Grade – 80.8% (2020)

12th Grade – 84% (2022)

---

## Technical Skills

**Languages** : JavaScript, Java, Python

**Web Development** : HTML, CSS, JavaScript, React.js, Node.js, Express.js, MongoDB (MERN Stack)

**Databases**: MySQL, MongoDB

**Tools & Platforms** : Git, GitHub, Devfolio, Docker

**Core Areas**: DSA, API Development

---

## Projects

**Sudoku Solver** – Smart Solver with User Interface

Developed a web-based Sudoku Solver using Java and web technologies. Implemented backtracking algorithm for puzzle solving and integrated an interactive UI for user input and visualization.

**Tech Stack**: HTML, CSS, Javascript,java(Backtracking Algorithm)

---

## Experience

Worked on multiple personal and academic projects, gaining hands-on experience in designing, developing, and deploying web-based applications. Well-versed in understanding project requirements, implementing core functionalities, and using problem-solving techniques to build efficient solutions.

Currently focused on continuous learning and improving technical skills through real-world applications and ongoing development practice.

---

## Core Strengths

Fast learner with a passion for exploring new technologies.

Skilled in solving real-world problems using logical thinking.

Capable of adapting to diverse technical environments.

Strong debugging, optimization, and collaborative development skill

---

## Achievements & Certifications

Oracle certificate-Database design/programming with SQL

Guvi Certifications in Python, Data Structures, and Java

---

## Extracurricular Activities

**Anchoring**: Hosted and engaged audiences at university events.

**Photoshoots**: Assisted in photoshoots for university clubs and events.

**Travelling**: Explored new places and cultures, gaining valuable experiences.

---

## Why Me?

Strong foundation in full-stack development and AI integration

Proven teamwork and innovation in collaborative projects

Passionate about delivering real-world solutions

Analytical, adaptable thinker eager to learn and grow
